

Hands On Atlanta Day

Saturday, October 2, 2010

9 am to 1 pm Service Projects

Hands On Atlanta Day is the single largest day of service in the city of Atlanta as well as the single largest fundraising event for the Hands On Atlanta organization. 2010 marks the 20th annual Hands On Atlanta Day. Be part of the 20,000 hands celebrating our 20-year history!

With thousands of volunteer participants, Hands On Atlanta Day is a catalyst for year-round volunteer engagement and a shining example of volunteer service at its best. Service projects have included:

- preparing meals for the homeless
- planting trees and cleaning up green spaces
- renovating homes for seniors
- renovating schools and developing recycling programs
- tutoring struggling student readers
- restocking food banks

During the early registration period **August 9 – 20**, the corporate partner may select a turnkey placement project lead by a project coordinator recruited by Hands On Atlanta. Your team may be made up of employees, family members, and clients at your discretion.

Requiring only volunteer team recruitment, turnkey placement projects have all the sign-in materials, work plans, tools, and materials in place when the volunteers arrive at the event. These projects do not offer the opportunity for project planning input, and no additional tools and materials budget is required.

In order to make event and project goals, other volunteers will be recruited to fill the volunteer slots not filled by the corporate partner.

Thank you for considering a community investment through Hands On Atlanta. Please join us in our mission to increase the threshold of service and civic engagement as we inform and engage citizens in building and improving their neighborhoods, schools and communities.

If you have questions or would like to receive the full list of Hands On Atlanta Day benefits at the different levels, please contact Flint at 404.979.2847 or fclouse@HandsOnAtlanta.org.
